Yanet is an intern architect committed to the projects she's engaged with, providing specifications development, enthusiastically researching products and materials, coordinating consultants' specifications, and compiling complete Project Manuals for on-time delivery. She provides specifications editing, Project Manual production and product and material research, as well as managing projects.

Yanet is a co-founder and board member of the recently started NOMA PDX chapter. As an immigrant and first-generation college student, she's passionate about architecture that supports the well-being of immigrants, first-generation youth, and BIPOC communities. Yanet manages specifications projects with a focus on mixed-use, multi-family residential projects, K-12 school renovations, and higher education facility upgrades, historic renovations, and expansions.
